## ABOUT US

Private Skool Collective of Tampa, a 501(c)3 nonprofit formed in 2021 by African American alumni was formed to expand private school opportunities for African American students in Tampa and surrounding areas.

In addition to tuition support, funds raised will support enrichment activities that include S.T.E.M. education, the arts, sports, mentoring and more that make a private school education so valueable.

This year, the goal of Private Skool Collective is to raise \$100,000 to benefit St. Peter Claver Catholic School, the oldest black grade school in Florida - and tuition support to deserving African American students who attend private schools in the Tampa Bay area.
