ABOUT US

Private Skool Collective of Tampa

was formed in 2021 by like-minded individuals who are alumni of Tampa Bay private schools. Our mission is to: rekindle friendships among private school alumni; support the needs of current private school students through fundraising, education and mentorship.

We partner with private schools and community organizations to provide advocacy and education and retention support to academically motivated African American students and underserved students in Tampa.

(Share packet)

Private Skool Collective of Tampa (PSC) is a 501(c)3 public charity recognized by the Internal Revenue Service.

OUR VISION

Private Skool Collective (PSC) aspires to support academically-motivated African American and other underserved students to facilitate their access, admission and successful matriculation, and graduation from Tampa Bay area private schools.

OUR MISSION

01

Private Skool Collective (PSC) was formed to expand private school opportunities for African American students in Tampa.

02

Provide financial assistance, mentoring activities, and empowerment trainings to youth attending Tampa Bay area private schools.

03

Rekindle friendships among private school alumni.

WHAT WE DO?

LITERACY

TUTORING,
MENTORSHIP

FINANCIAL
SUPPORT

SPEAKER SERIES

2026 Private School Fair

ABOUT THE EVENT

This in-person event will include school booths, workshops and community resources. The Private School Fair is a **forum for Tampa Bay area families** to learn about private school education and engage students, teachers, and administrators from more than 30 local private schools and educational programs.

Our Schedule:

**Discovery Hall
U.S.F
Research Park**

Saturday, October 3, 2026, 1 - 5 p.m.

On October 4, 2025, Private Skool Collective of Tampa will present our inaugural Private School Fair.

We are excited to host an in-person event at **Discovery Hall, University of South Florida Research Park, 3720 Spectrum Boulevard, Tampa, FL, 33612.**

Our **workshops and panels** will cover education, student personal growth and affording tuition strategies.

To add excitement to the Private School Fair, PSC will host raffles throughout the event, offering prizes designed to support education and personal development.

These giveaways highlight our commitment to connecting parents with organizations that promote literacy, the arts, and holistic student growth—both in and out of the classroom.

EVENT HIGHLIGHT

Tampa Bay's

2026 Private School Fair

THE WHY? ...

Direct Access

Our fair gives your school the opportunity to meet parents and students, face-to-face.

Efficient Outreach

Instead of personal tours, your school can reach many prospective families in a single setting.

Increased Visibility

Especially for smaller or newer schools, the fair can provide valuable exposure to families who may not have otherwise heard of them.

Build Trust

Build more credibility and trust, which are critical when families are making important decisions about their child's education.
